Dear Luke Supporters:

The Hilton Garden Inn Phoenix/Avondale wholeheartedly supports Luke Air Force Base (LAFB) in its current and future missions especially as Luke is considered as a training site for the F-35 Joint Strike Fighter. A strong Luke today and tomorrow affords our hotel the opportunity to prosper in Avondale.

Each and every day, our hotel provides lodging for individuals visiting Luke. With Luke's impact on our local and state economy totaling approximately \$2.17 billion each year, we depend on a strong and continued military presence in the West Valley and at our hotel. A future mission at Luke means our state economy will continue to be strong now and into the future.

The Hilton Garden Inn supports the men and women of our armed forces and is especially honored to support Luke in its efforts to secure future missions.

Sincerely,

Jason Moore
